
Mosses Great Lakes Forest Crum Howard

the old-growth forests of southern ontario - the forests that covered southern ontario before european settlement were a patchwork of forest environments in different stages of succession. they included large, unbroken **ecosystems and their structure - commonwealth of learning** - basics of ecology & life support systems 35 4.1 so far we have been looking primarily at the living part of the natural world, but we know that when earth was born, it did not have any life on it.
